

領袖訓練 發展潛能

Training Leadership and Developing Potential

學校設立了很多學生組織，目的是讓學生發展領導才能，建立團隊精神，並且在實踐中學習與人協作。

- 學生會為全校最高的學生組織，負責籌組學校大型的學生活動，如：音樂比賽、敬師及籌款活動等，藉此培養學生的組織及溝通能力。學生會也是學校與學生之間的橋樑，積極向學校反映同學意見。
- 全校學生分為信、望、愛、德四社，組織不同的比賽，既有學術活動，又有康體活動，如：啦啦隊、球賽、常識問答比賽、辯論比賽及四社新春活動等。以培養學生互助、合群、團結合作的精神。

A number of student clubs are set up to train students' leadership, build up their team spirit and learn how to cooperate with one another.

Student Association (SA) is the most important association in our school. It is responsible for holding numerous major events. For example, music contests, paying respect to teachers and fund-raising activities, with the aim to strengthen students' ability of organizing activities and co-operating with one another. SA is also a bridge for students to reflect their opinions to our school.

With the Four House System representing Trust, Hope, Love and Virtue, a number of academic and recreational activities are organised by their committee members, namely the cheering teams on Sports Day, ball-game competitions, quizzes, debate competition and New Year's activities. The aims are to cultivate in our students the spirit of helping and cooperating with one another.
