

# 生涯規劃 拓展前路

## Building Up Talent for a Promising Future

**為**讓學生掌握自己的長處，學校從初中開始在課程中滲透職業性向瞭解。除追求卓越學術成績外，也適時提供學生升學擇業資訊，讓他們選擇適合自己的發展方向。

- 為使學生為未來職場作好準備，學校與香港城市大學專業進修學院協辦了高中應用學習的酒店服務營運課程，並鼓勵學生積極參加有關生涯規劃的訓練及講座，例如「友·導向」工作體驗計劃、港專的職場體驗計劃、「職」出前路、「我做到」計劃、「中六模擬放榜SOS」、香港建造學院講座及參觀等。
- 學校與校外機構保持緊密聯繫，參加商校合作計劃，為學生引入資源，如香港專業學院的學校支援計劃、北大嶼山醫院RUNNING HOSPITAL體驗計劃、PROJECT WE CAN等。
- 中一至中三開設「導師計劃」，由老師擔當導師，與學生交流及指導他們訂立志向。
- 為學生安排不同的證書課程，擴闊學生視野。例如：急救、寵物美容師實用課程、韓式化妝證書課程等。
- 旅遊與款待科餐桌禮儀工作坊（Table Etiquette Workshop）讓學生學習餐桌及社交禮儀之餘，更能與社會知名人士會面交談，豐富他們的人生經歷。
- 為高年級學生舉辦不同的工作坊，為升學及見工面試打好基礎。
- 科任老師因應學生需要和興趣組織他們到不同院校的資訊日參觀。

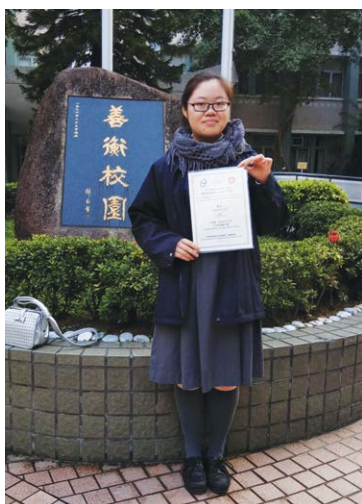

In order to fully realise students' potential and help them choose a better prospective career, not only do we enhance their academic performance, but we also provide them with the most updated information of different careers so as to let them plan their future career path wisely.

In order to prepare students for their future careers, the school co-organizes a Hospitality Services in Practice course for senior formers' Applied Learning with the City University of Hong Kong Institute of Professional and Continuing Education, and encourages students to actively participate in career planning, training and activities, such as "Life Buddies" Scheme, the HKCT Work Experience Program, "Shape Our Future: WeCan!", Project WeCan Career Exploration Day, the "DSE Result Release Simulation Day SOS", the Hong Kong Construction Institute Lecture and visits.

The school maintains a close liaison with external institutions and participates in business school collaboration programs to introduce resources to students such as the HKCT School Support Programme, the North Lantau Hospital RUNNING HOSPITAL Experience Programme and Project WeCan.

For Form 1 to 3 students, the "Teachers' Scheme" is implemented in which teachers are the mentors to communicate with students and guide them to aim high and embrace ambitions. The school has arranged different certificate courses for students to broaden their horizons. For example: first aid, pet groomer practical course, Korean makeup certificate course, etc are in the list. Table Etiquette Workshop allows students to learn about table and social etiquette, and to meet with social celebrities to enrich their life experiences. School also keeps organizing different workshops for senior form students to lay the foundation for further studies and interviews. In order to cater for different interests and needs of students, visits to the Info Day of different Colleges are organised.

# 開放校園 服務社區

An open Campus to Serve our Community

**學**校積極服務社區，並善用校舍組織不同活動，共享資源。

- 星期六舉辦中學生活體驗活動，透過英語、科技和體藝訓練，令區內小學生體驗各中學課程和活動，為升中作好準備。
- 與勵行會合作服務新來港人士，並開放校舍舉行僱員培訓服務，回饋社區。
- 開辦暑期學院，令本校及區內學生善用暑假，提升英語水平及學習多元技能。

Our school commits to serve the community and to make good use of school resources.

A secondary school life experience event has been held on Saturdays. Through English, technology and physical training, primary school students gain experience of the various secondary school subjects and activities to prepare for their promotion to a secondary school.

Cooperating with Christian Action to serve new arrivals and opening school building to provide employee training services to the community are what our school do to contribute to the society.

With the setting up of a Summer College, we enable our students and primary students in the district to make good use of the summer vacation to improve their English and learn diverse skills.
