## Shopping nightmares

This week, we asked our readers: What would be the worst 'buy one, get one free' deal of all time? Here are our favourite answers

# 10

Cosmetics. Many online sellers often use "buy one, get one free" tactics. People are attracted and buy the products, thinking that they have saved money.

But often, the "free" lipstick or blush will end up sitting at the back of your shelf until you discover it one day

but it's probably expired by then. What a waste!
